# Index of Authors Included in the Fifty-ninth Bibliography

The Roman figures followed by (1) or (2) refer to the centurial classification (Part I); thus Anagnine, E., XV(2) means that a paper by Anagnine is listed under fifteenth century, second half.

The Arabic figures refer to the historical and to the systematic classifications (Parts II and III) which are subdivided in sections numbered consecutively from 1 to 60. For instance, Adams, H. D., 14 indicates that a paper by Adams is listed in section 14 (Islam); Bigelow, R. P., 16 indicates that a paper by Bigelow is listed in section 16 (History of Science).

The symbols IV(a), IV(b), and IV(c) refer to the new sections on America, Oceania, and Africa at the end of Part II. For instance, Brand, D. D., IV(a) indicates that a paper by Brand is listed in section IV(a), America.
